

ATTENTION PET OWNERS!

“All pets must be under the physical control of the owners in the common elements. **They must be leashed and attended to at all times while outdoors.** No pet shall be permitted to run loose.”

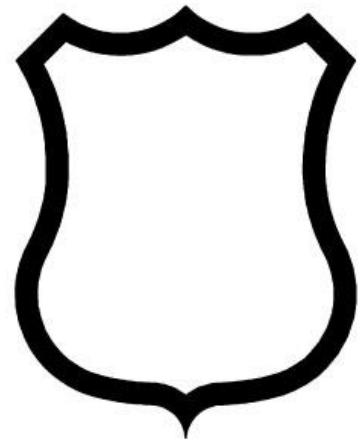

“The common elements are not permissible toilet facilities for pets. Homeowners are responsible for waste pickup of their pet. If the pet does its duty, the **homeowner must remove the waste and properly dispose at the owner’s home.** Pet owners walking their pets without a trowel, spoon, or bag for waste disposal will be considered in violation of this rule.”

Owners not in compliance will be fined \$50 for the first violation and up to \$500 for the fourth violation.

Homeowners! Help Us Enforce The Rules

It is difficult to enforce the pet waste pickup rules after the violation has occurred. Here’s your chance to help!

Any homeowner witnessing a violation of our pet waste pickup and/or leash rules should report the offense to our property management company, ACM. They can be reached by email at customer care@acmweb.com or 630-620-1133. Be sure to get the building number and unit letter of the offender. A photograph is also extremely helpful.

Thank you for helping to keep our grounds clean and safe for the enjoyment of all!
